**Revolution is the only
independently audited steel company in SA
using 100% BlueScope Steel products.**

The red fist means it's True BlueScope.

Colorbond®

Guaranteed to Last

At Revolution we only use 100% BlueScope Steel who offer a warranty of up to 25 years for the date of installation on any COLORBOND® steel and ZINCALUME® steel roof. Separate warranties are available on roofing, walling, residential guttering and in severe weather conditions.

These guarantees are subject to the terms and conditions of BlueScope specifications. There are variables to determine the length of the warranty are roof size, roof pitch, environment and material used.

Watertight Installation Warranties for 20 years are also on offer for True Oak and concealed fix products when installed by a Revolution Roofing Licensed Contractor.

To access or review the BlueScope warranties visit our website www.revolutionroofing.com.au or visit www.warranties.bluescopesteel.com.au

How Do I Get the Guarantee?

1. Specify and install 100% Revolution Roofing products on your next project.
2. Submit your project to BlueScope Steel at www.warranties.bluescopesteel.com.au
3. Register your project with Revolution Roofing by emailing the project details to info@revroof.com.au to receive your certificate.
